

### 3rd - 6<sup>th</sup> Grade Summer Reading Log

Select at least **TWO** books to read this summer. Enter the titles and authors on your reading list. When you have completed each, write the genre and the date. Add the Lexile level (**this can be found at [lexile.com](http://lexile.com)**) or recommended grade level for the book (**ARbook finder.com has grade level equivalents for most books**). Write NL if you cannot find the Lexile level for the book. Finally, include whether the books was easy (E), just right (JR), or a challenging (C) book for you. Your homeroom teacher will collect this form when you return to school in August.
