

Mrs. Amy Norman

District 3 Representative

She is also a black belt in taekwondo and serves as an instructor to many students in the district.

Statement of Purpose

"I am very honored to serve our community and the MSD of Lawrence Township on the Board of Education. Our local school system is often a village of support for students and their families. It is my imperative that we continue to equip our educators with the tools and resources they need to both educate and engage our children. It is important to me to keep working to recruit and involve community partners and stakeholders in supporting and participating in the mentoring of our young people, while involving parents as partners in their child's education. I believe this will benefit all involved as our children are the future of our community and our world."
