The programs are carefully designed to give beginning, intermediate and advanced language learners a unique and in-depth Spanish immersion experience as they work in teams based on age and their language proficiency level.

They will have hands-on, engaging and fun experiences through the exploration of the arts and science. Children will practice and learn skills across the academic curriculum, while listening, speaking, and learning in Spanish at all times.

Los programas han sido cuidadosamente diseñados para darles a los estudiantes del nivel inicial, intermedio y avanzado una experiencia única de inmersión en español. Los estudiantes trabajarán en equipo.

Antes de formar los grupos, tomaremos en cuenta la edad y el nivel de competencia lingüística de cada niño/a. Durante el campamento, los niños explorarán el arte y la ciencia y repasarán destrezas del currículo académico.

## SCIENCE / CIENCIAS & ARTS / ARTE

The children will learn about fascinating animals such as: snakes, frogs, bearded dragons, leopard geckos, tarantulas, etc. They will also be designing buildings and learning about physics. In addition, they will be participating in organized sports such as: basketball, baseball, soccer, softball, kickball, swimming, etc.

Los niños aprenderán acerca de animales fascinantes como: serpientes, ranas, dragones barbudos, geckos leopardos, tarántulas, etc. También diseñarán edificios y aprenderán sobre física. Además, participarán en deportes organizados, tales como: baloncesto, béisbol, fútbol, softbol, natación, etc.

## TRIPS / EXCURSIONES

Campers will go to Fort Harrison State Park, to learn about trees, animal, insects, and many other interesting topics. They will also go to different Indianapolis museums, explore different parks, and will go creek stumping and hiking.

Los niños/as irán a Fort Harrison State Park, para aprender sobre los árboles, animales, insectos y muchos otros temas interesantes. También irán a diferentes museos de Indianápolis, explorarán diferentes parques e irán a hacer senderismo y senderismo en el arroyo.
