# 2018 Mad Cats Summer Travel Lacrosse

10U Tryouts To Be Held In March  
sign up at [www.MadCatsLax.org](http://www.MadCatsLax.org)

Players interested in playing for the 10U Mad Cats this summer are invited to attend our upcoming tryouts. Tryouts are free and open to players from all schools.

### The Mad Cats Mission

The Mad Cats' core mission is to provide meaningful learning and playing experiences for our players. We win and we have fun while developing and preparing our players for the next level of play.

Mad Cats provide high quality coaching and give the boys an opportunity to play with and against the top talent in the midwest as well as top national teams.

We utilize outside resources like Adrenaline Lacrosse to benefit our program through clinics, events, recruiting showcases, and access to pro players.

### The Mad Cats Advantage

The most cost effective summer travel lacrosse program in central Indiana. 10U, 12U, and 14U estimated cost is \$500 per player; high school estimated costs of \$800 per player (costs includes uniform and tournament fees but exclude travel related expenses)

Most Mad Cats teams attend four tournaments where other programs attend only three.

Unsurpassed player family community!
