

Transportation Addendum

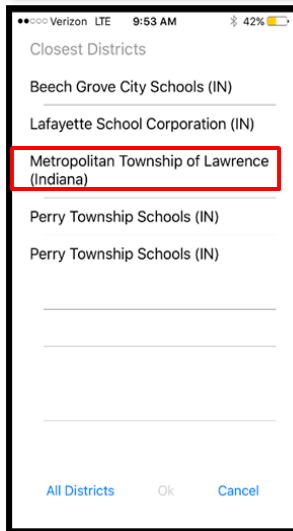

My Stop

Lawrence Township Transportation is working with My Stop to provide GPS tracking information for our buses and give families estimated time of arrival to their stop. Students can plan for late or on-time arrival, and prevent missed pick-ups or being left outside in inclement weather. My Stop can be utilized in two different ways – via the My Stop website or via the app on your smartphone device. Additional information regarding My Stop can be found at Itschools.org/services/transportation-services.

My Stop App Instructions

1. In the App Store of your mobile device, search Versa Trans My Stop (free purchase)
2. Download the app to your mobile device (iPad, iPhone, or Android)
3. Once the app has downloaded open the app.

4. Tap to select your student's school district (The app will search for the closest school district in your area)
5. Select Metropolitan Township of Lawrence (Indiana)

6. The Metropolitan Township of Lawrence My Stop Login screen will appear
7. Enter your student's username and password (The Family ID is the **USERNAME** and **PASSWORD**)

Username and password are identical and can be found in Skyward.

Note: This app estimates travel time along the scheduled route. If the bus is sitting waiting to load or unload, is stuck behind an accident or train, or has to take a detour, the estimated arrival time may not be accurate. This app can also be inaccurate if a replacement bus is used. **Please use this system only as a guide.**
